## **Foreword**

In years to come the pages of this Myrialog will inspire the class of '57 to live again the treasured days — gay, sad, average or super-special days that made up a wonderful high school career.

Seniors of Myerstown High produced the first year book in 1921, and the two succeeding classes continued the adventure. Then there was none until 1949 when Seniors called their annual the "Myrialog." This custom has taken root, and the staff hopes this edition is truly bringing it to flower. May it be a beautiful memento of busy days at M.H.S.

This book is made possible, not only through the efforts of the staff, but also through the cooperation and kindness of many other people. We wish to thank our Principal and the entire faculty for the assistance rendered in preparing this book. Our efforts would have been useless without the patrons of this annual. Finally, we thank the Church Center Press for the fine work it has done. Our sincere gratitude and appreciation to all these many fine people.

We hope this 1957 Myrialog will be enjoyed by everyone. As the steps of progress march on, we will still hold on to our memories and look back upon them as stepping stones of our lives.

## Alma Mater

Faithful and true-hearted, Let us cheer our dear old High,  
We revere her and defend her, and her colors proudly fly:  
We will stand for her united, Of her deeds we gladly tell,  
Her colors streaming, Glad faces beaming,  
So here's a cheer for her that we all love so well.

### *Chorus*

Joyous and ever loyal, Let us boost for our old High,  
Let ev'ry heart sing, Let ev'ry voice ring,  
There's no time to grieve or sigh.  
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,  
But, united, We will boost for her, our Old High School.

### II

Honors she has taken, On the track and with the ball,  
May she always rank the highest, May her colors never fall.  
There's no other that can match her, When her team is on the field,  
Her boys the fleetest, Her girls the sweetest,  
Then here's a cheer for her, for her who ne'er will yield.

## Our School History

As the result of the consolidation of the early limestone schools, the Hill School on North College Street was erected in 1885. The community library, once our high school, and the Hill School served as our town's educational institution until the erection of our present high school.

Our high school has been standing since 1915 and compliments greatly the work of its architect, Edward Z. Scholl, and its contractor, Andrew J. Fink.

Dr. D. U. Wolff, George Uhrich, Ephriam Bleistein, John Schoener, and Harry Line were members of the first board of directors. We have had the following principals as supervisors of the school: J. J. Strahl, Ralph Davenport, Chester Hartzler, Henry Hollinger, Walter Richter, John Auld, and presently Harvey L. Nitrauer.

Engravings on the cornerstones of our school are: "Education is the cornerstone of success," and "Wisdom is the birth of freedom."

*School Colors — BLACK AND GOLD*

## Dedication

We, the class of 1957, grateful to him for his many services, dedicate our yearbook, "The Myrialog" to Mr. Dwight C. Fake.

During our high school years, it was our pleasure to have him as our history, civics, and problems of democracy teacher. During our Senior Year, he served as one of our homeroom teachers.

Many times his wise counseling, willingness to help, patience, cooperation, dynamic personality, and abundant sense of humor were a source of inspiration to us. His ceaseless strivings to forward our education will be memories cherished by our class.

### **Tribute**

To Miss Mabel C. Immel who has so graciously counseled and assisted us during our final year of high school.

Her exceptional work, in helping us earn money for our New York trip, was appreciated by the entire class. Miss Immel worked many long hours especially for our class.

Without a doubt, she deserves this small recognition we are giving her.

## The Custodians

Too often taken for granted, yet indispensable, are the two phases which sum up all there is to say about our four custodians

Keeping the schools neat and clean is their job. It would be a help to them if all of us were to be more courteous and not throw paper on the floor or paste gum under our desks.

We are taking time now to thank these people for all they've done for us. Let's aid and respect them in the future

The Senior Class of 1957

## Class Song

Music J. Oakley

Lyrics W. Hollinger

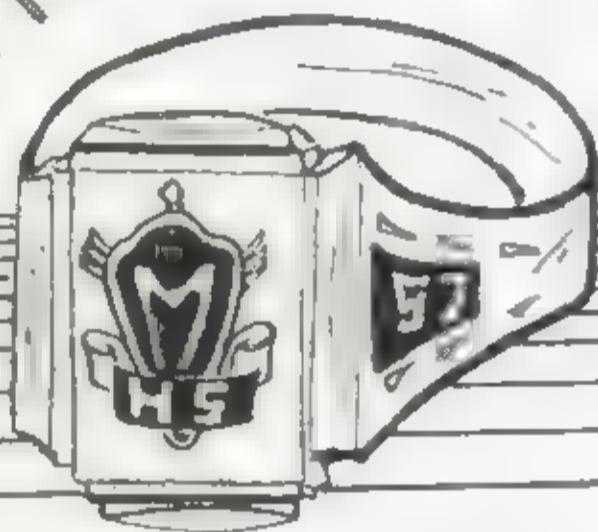

1. oh Now the time is drawing near when we must take our leave for old times sake we'll shed a tear For our dear school we'll grieve But ever faithful we will be To dear old Myerstown High Tho we go forth the world to see We'll ne'er forget you Good-bye

Yes we're the class of fifty-seven We hold our heads up high And proudly say hello A-Lum-ni Dear high school good-bye

2. We'll cherish all the happy days  
We've spent within these walls  
Tho scattered or'e separate ways  
Where'er the future calls.

We leave our pleasant memories  
of classmates, teachers, friends  
of music, sports, and ABC's  
This phase of learning ends.

### Our Senior Year Memoirs

This year has found us struggling furiously for our once in a lifetime thrill, the three days in seventh heaven. We had a swell time selling coffee, french fries and needling Mr Fake, and Miss Immel at the Myerstown Community Fair. Our girls served dutifully at the cafeteria with our enlisted men serving K.P. Our next big moneymaking project on the agenda was the production, "Thank You, Mr. Parker." From the beginning of the year until Christmas we wandered aimlessly about and occasionally collected for Landis and Landis. Our salesmanship training was further advanced with our magazine sales which turned into a very successful project. Finally after weeks of hard work and anticipation we received our hair sizzling reward. We went to New York May 13th and came back the 15th, spending three of the most exciting days of our lives in that great metropolis. We came back intact but tired. Our next performance was to be May 24, when we held Class Day. What a day it was! There was excitement galore but it was nothing compared to Baccalaureate and Commencement. After all these experiences, happy and sad, we at last had our high school education. We will shortly be answering the roll call of life.

## Class History

There comes a time in the life of all children, fresh out of kindergarten, when they no longer stay at home to help mother during the day, but are sent instead to a large building in charge of a lady for most of the day.

Well, in 1944 this drastic thing happened to us. One day we found ourselves in a school room in charge of a very nice lady named Miss Loose. As the days progressed and we adjusted ourselves to our new surroundings, we found this to be better than spending a whole day at home.

While in first grade we learned to read, print and do simple addition and subtraction. We also spent many enjoyable moments playing "Penny Penny," and participating in the Rhythm Band. But we found we enjoyed playing "Old Mammy Witch, Fell in a Ditch" most of all.

Then one day we found ourselves climbing a steep hill to reach the big red building at the top. We were now second-graders. We were told by Mrs. Emerick that we were here to conquer the 3R's, and we immediately started the struggle. On the last day of school Janet Yeakley invited all of us, much to our surprise, to bring her birthday presents up to her house.

In third grade we learned that Nancy Fink was allergic to the smell of burning leaves and had to leave Miss Schell's pleasant classroom, full of progress charts, every afternoon when the leaves were burned.

By the time we reached fourth grade, the boys forgot that they hated girls, and as a result we gave Mrs. Weaver quite a hard time. We also became quite accustomed to finger-nail inspections.

Mrs. Groff welcomed us into fifth grade. Here we had our first experience with a library and weather maps. Much to our disappointment we lost Nancy Umbenhen's talents while she fought off rheumatic fever. This year we found we had much talent within our class. Loretta and Carole enjoyed singing "If I Knew You Were Coming, I'd Have Baked a Cake."

Finally we reached the top—sixth grade. We had many new experiences this year, too. We used the fire escape, had Mr. Snively for our teacher, and learned to duck when we saw an eraser or piece of chalk coming in our direction. This year we really proved we had talent. We formed the Drama Club and gave our own original productions for everyone's enjoyment. Remember the time Nancy Fink danced to "Goofus" in her pink evening gown?

In the year 1951, we entered the halls of M.H.S. wide-eyed and optimistic. We soon became adjusted to sitting patiently for 50 minutes and then running wildly through the halls to our next class.

This continued for a whole year, but, once in eighth grade we settled down and began the beginning of a long five year journey.

By the time we entered ninth grade we were well adjusted to the many activities of High School life. We were very proud of the title of Freshman which was bestowed upon us, and frowned with disgust when referred to as ninth-graders.

In our Sophomore year we were busy choosing class colors and class jackets. We were so proud of those fire-engine red and white corduroy jackets that we wore them all day in school. We also spent many pleasant hours dissecting crayfish in biology class.

All this passed quickly and we soon found ourselves in the role of Juniors. This year we chose class rings. They were our pride and joy. The one big goal we had as Juniors was sponsoring the fabulous Prom for the Seniors. The theme for our Prom was "Stairway to the Stars."

And now in our Senior Year we became salesmen to earn our way to New York City. By selling magazines, running a Landis and Landis Club and giving a two-night production of "Thank You, Mr. Parker," we finally reached our goal.

Now that graduation day is upon us we remember all the troubles, and struggles of High School, but we must remember all the joys and friendships we acquired during our school days. As our first goal is reached, we say "farewell" and leave our Alma Mater dear.

## Senior Class Prophecy

The footsteps of time take us to the year 1977 and we find that the Class of 1957 has come a long way since its graduation from Myerstown High School. Our classmates are filling these unusual positions and professions:

As we enter town we find Janet Schell has just been named as the first woman Chief of Police. Her favorite hangout is the "Soda Less Soda Fountain" owned by Dorothy Rittle and Anne Mae Philipps.

Donald Nixon is busy setting up bowling pins at the "Knock 'Em Dead Bowling Alley." His chief customers are Tom Brown and Carl Heffelfinger.

Have you read "Frog Hollow News" published by Nancy Fink and Faye Fulk? Elaine Bashore and Myrtle Boyer are kept busy delivering this daily paper on their Mickey Mouse tricycles.

Peggy Brown has opened her "Free for All Who Survive Gymnasium." Her numerous victims are dragged to Ronnie Krall's "Kill Me Quick Hospital."

Millie Brubaker is his head pill peddler.

Pete Jeffers is a trick professor at "Hop, Skip, and Jump Kindergarten" located at Frog Hollow. Another professor, Tom Kershner, has invented a flying saucer which can travel to the moon in 367-1/60 seconds. His understudies are Charlotte Williams and Joanne Stauffer.

One of the largest business establishments is the "You Mess 'Em We Press 'Em Dy-Dee Service" operated by Dolores Kieffer; her main customers are Betty Rutter Hixenheiser, Shirley Fake Smith, and Ruth Heller Snyder.

Stewart Hower is operating his "Nut Cracker Race Track." Busy terrorizing the many spectators are daredevils, Wolfe, Dubble, and Hunsicker, just back from the Mt. Zion 500.

Moody's Junk Yard employee, John Bird, has just invented a new wrinkle resistant metal to be used on all driver training cars. He is now enjoying a vacation at the Millardsville Quarry on his \$2,000 bonus.

Allen Miller, that tall dark, handsome, dashing, masculine, lovable, heartbreaking actor from Elbow Creek is appearing at the premiere showing of his first movie, "The Hot Rod and the Cop."

As we wander back into our Alma Mater we find John Wenger in the chemistry lab still trying to prove that fire burns.

Jon Swanger is busy taking curves out of the Millardsville Road. He wants to be sure that Carl Brown won't try to drive in the quarry again.

As you wander down to Buffy's you will find Kenny Brown running the auction. His chief auctioneer, Rachel Sanger, can be heard at the outskirts of Weavertown.

Mike Honker has just had his first case, Kreiser vs. Achey. Helen claimed that Stan, the painful dentist, pinched her tongue in the process of getting rid of a tooth. Pauline Long was the only witness.

Loretta Mader has her own beauty salon with many little Maders trying to help. The scalp scrubber, Mareeta Demmy, has just finished torturing her first victim. We hear she can really rub hard.

Did you ever see the new dance studio in Chicago? If you haven't you are really missing something. Barbara Buck is the instructor with her best pupil, Audrey Sattazahn, making daily T.V. appearances.

Janet Wagner has just been named Imperial Salesman of the year. She has done so by selling an Imperial to each of her classmates. Multi-millionaires, Stechman and Wenzler have purchased two apiece. They attained their wealth by pressing shirts for the Myerstown High School faculty.

The rodeo has just come to town. Judy Ficca is the number one horse lady of the year. Clarence Sattazahn is kept busy keeping the horses in shape for the rodeo.

Winnie Hollinger is now the only minister's wife to be a marriage counselor. Her only problems are, Janet Yeakley and Doris Sterner because they can't join the army. Their main protest is, "We're sick of writing letters."

Nancy Umbenhen is now appearing in her first opera as a metropolitan star. The name of the opera is, "My Dame's Cuckoo."

As we turn on our T.V. sets we see the famous roller derby in progress. Champions, Gettle, Trautman, and Mays at present with two broken arms, make this exciting since they all hold first place records.

Carole Sholly is really rolling in the money. She is now sketching for McCall's pattern company. Take a look at one sometime and notice the great work she's doing.

After all these steps your shoes must be rather dirty. How about a shoeshine at the "Super Dipper Shoeshine Shop" operated by Carl Zellers and Kenny Umberger. They use a new machine which shines shoes like old in one minute.

Basketball was first played in the county in the form of a Tri-Ti-Y league. When Miss Werner came in 1948 the county basketball league was organized.

In the 1950-51 season the county league was started. Since that time our girls have won four championships under the leadership of Mrs. Brightbill. In the 1952-53 season, the 1954-55 season, the 1955-56 season and this year, with the full co-operation of the team, Coach Brightbill had another championship team.

Due to the skill and agility of the team they became the undefeated team of the county. Thus it was that our girls "did it again."

## Field Hockey

Hockey was organized in 1950

In 1952-53 we had a championship team, but since then we were not able to reach the top

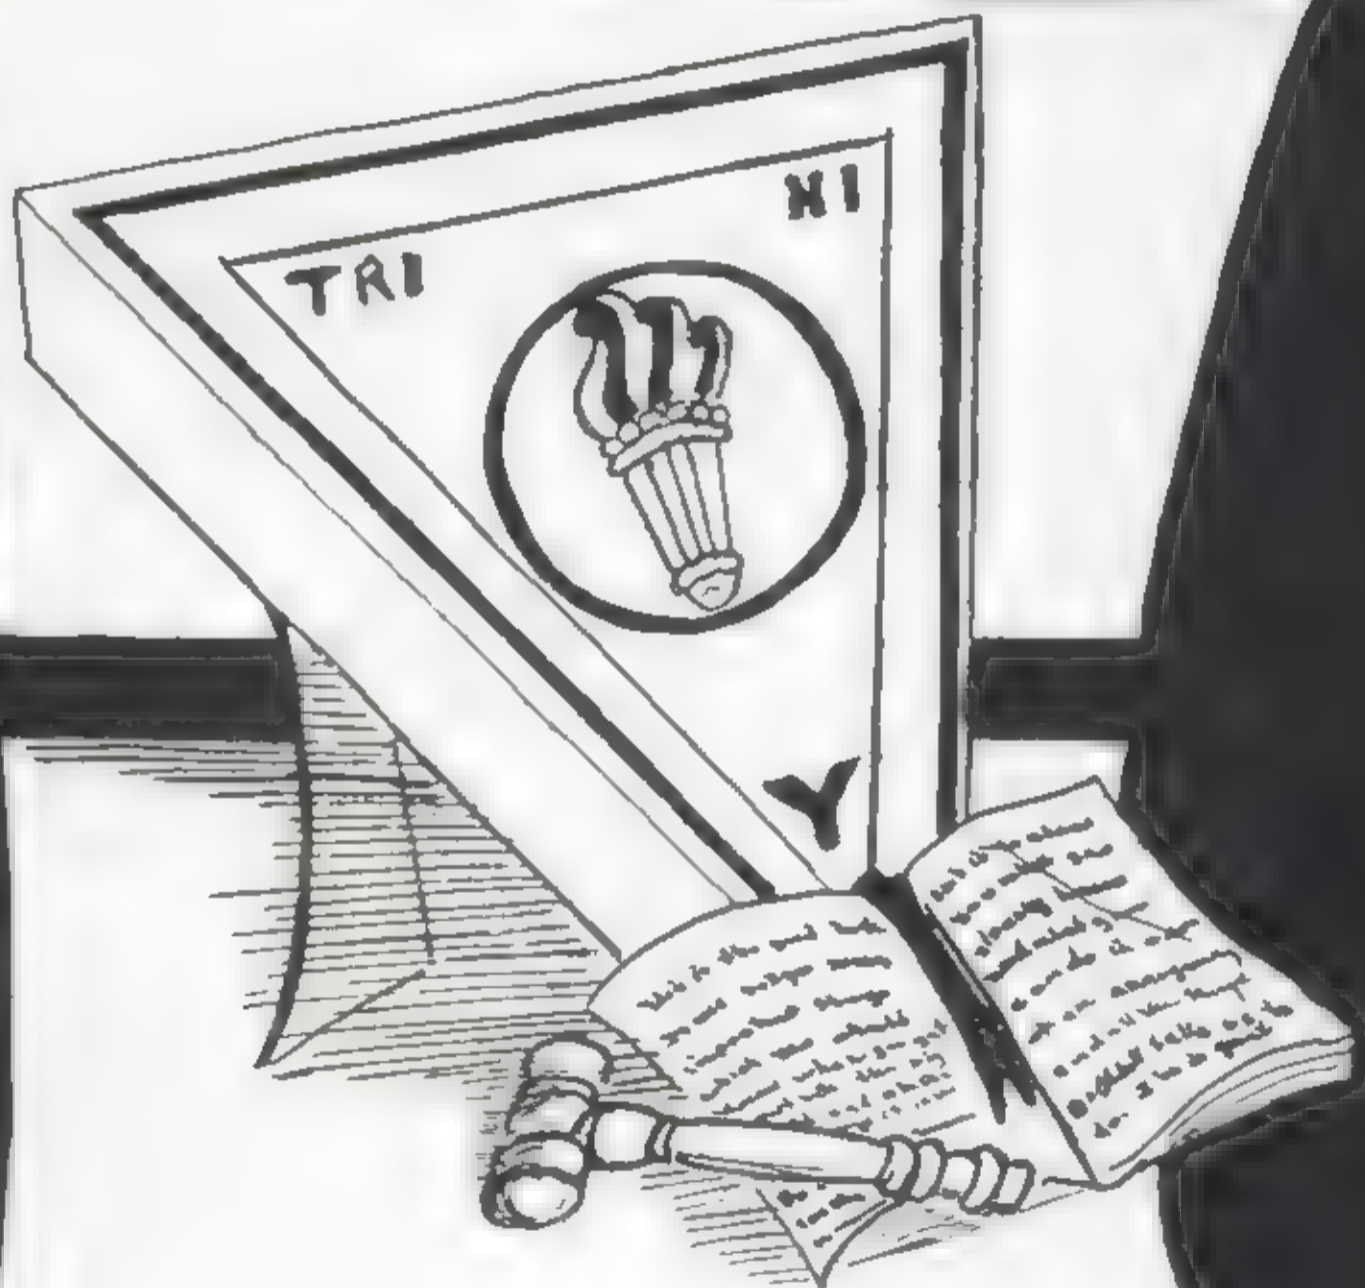

Our girls never seem to lose faith in themselves and always have lots of zip and energy.

We topped the record of last year by winning 1 game and tying 7. This year we had a team of Seniors with the exception of the "goalie". We all wish the Hockey Team "lots of luck" next season

## Queen of Hearts Dance

The Queen of Hearts Dance was held Saturday, February 16, 1957, at 8:30 P.M., in the gymnasium. The royal court was composed of the King and Queen of Hearts, Maid of Honor, four attendants and five male escorts. These people were all chosen by the student body of our Senior High School by popular vote.

This year's Queen was Loretta Mader who was crowned by Michael Honker, the King. The Queen's attendants were Carole Sholly, Maid of Honor, Faye Fulk, Judy Ficca, Winifred Hollinger, and Elaine Bashore. These young ladies were attended by Stanley Achey, Ronald Krall, John Bird, Peter Jeffers, and Allen Miller. The flower girls were Sheila and Sharon Garman, and the trainbearers were Jeffrey Zimmerman and John Sanger. The traditional minuet was danced by Senior Tri-Hi-Y members in grade ten and eleven. The girls were under the direction of Miss Kathryn Dech and accompanied by Carol Kratzer.

Vocal Solo — Nancy Umbenhen — "Sweethearts"

Trumpet Solo — Brian Donley — "Napoli"

*Accompanied by Nadine Donley*

The trumpet trio presented the fanfare. Jerad Yeagley served as Master of Ceremonies for the event.

Music for dancing was supplied by the orchestra of Frank Taylor. The dance was under the sponsorship of the Senior Tri-Hi-Y whose advisors are Mrs. Ruth Jeffers and Mrs. Lena Saunders.

## Memoriam

MR. ROBERT MITCHELL

May 2, 1955

MR. ALBERT REED

February 28, 1956

The roll is called and all but two are here.  
They have been summoned to eternal rest.  
Though sadness fills our hearts and clouds our eyes,  
A greater will than ours has deemed it best.

We mortals know so little of God's plan.  
Yet, through our tears and sorrows we can see  
With His almighty and prevailing hand  
God shapes our lives and molds our destiny.

— Allan David Marks
